A Guide to Student Registration

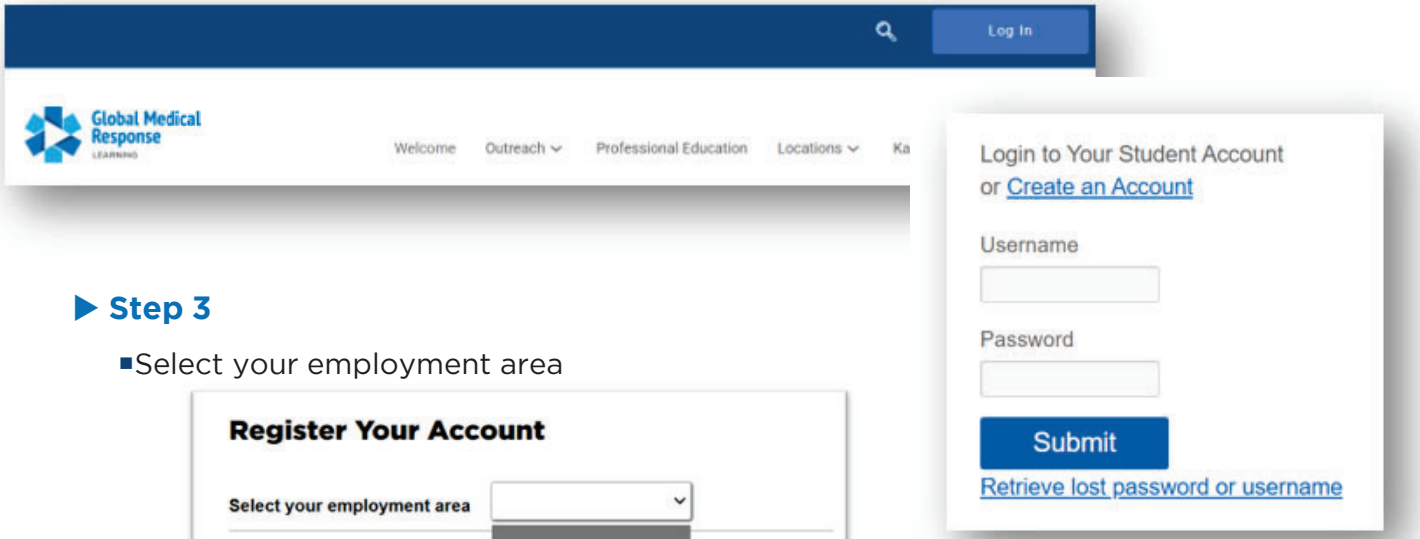
To register for a course, you must create a student profile on our website. This is a one-time process. If you are attending a class you have not yet registered for, please take a moment and register for your class before its conclusion. Here are the steps to follow:

▶Step 1

- Visit our website: www.GMRLearning.com

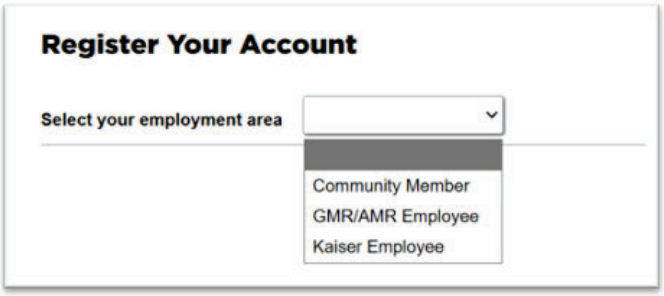
▶Step 2

- Click the “Log In” button in the upper right-hand corner then select "Create An Account"



▶ Step 3

- Select your employment area



▶ Step 4

- If you are a Community Member or a GMR/AMR employee, use the map to select where you will attend your classes. Please note: GMR/AMR employees must provide an employee number and county of employment.

- If you are a Kaiser employee, you will be prompted to fill in Kaiser specific details related to your employment.

- Scroll down to complete the remainder of your GMR student profile, then click, “Submit.”

- Your profile is now complete. You may now shop and register for courses appropriate to your employment area once you are logged in.
